

Dear Valued Patients and Families,

After many wonderful years of caring for your children, Dr. Jonell Mahoney has announced her retirement, effective March 31, 2026. It has been her greatest honor to be a part of your lives and watch your children grow.

Your Care at Oceans Pediatrics Our commitment to your family's health remains our top priority. While Dr. Mahoney begins this new chapter, our dedicated team of seven expert providers is excited to continue providing the high-quality, integrative care you expect from Oceans Pediatrics. We are working closely together to ensure that every family experiences a smooth and supportive transition.

Next Steps:

- Seamless Transition: Your medical records remain securely stored at our Loxahatchee office. No action is needed to keep your records with us.
- Appointments: All appointments scheduled after March 31st will be maintained within the practice. Our team will ensure you are paired with a provider who best fits your child's needs.
- Questions: If you have any questions regarding this transition, please call us at 561-753-2500 and ask for Kristina, who is personally overseeing this transition for our families.

Please join us in wishing Dr. Jonell Mahoney a joyful and well-deserved retirement!

Warmly,

*The Team at Oceans Pediatrics*
